### Profile Summary

---

I am an aspiring **Java Developer** with a strong foundation in **Object-Oriented Programming**. Proficient in **Java, Spring Boot, React JS, JavaScript, HTML, CSS and MySQL**, with hands-on experience in academic and personal projects. Strong problem-solving abilities and a passion for learning new technologies. Seeking an opportunity to apply **Java** expertise in developing scalable applications.

### Technical Skills

---

- **Languages:** Java, JavaScript.
- **Frontend Technologies:** React JS, HTML, CSS.
- **Backend Technologies:** Spring, Spring Boot, Hibernate.
- **Database:** MySQL.

### Projects

---

**E-Commerce Website** <https://vignesh271-28.github.io/E-Commerce-Website-Baking-WebApplication-/>

- Built a responsive Full Stack Web application using React js, Spring Boot, MySQL, and JWT-based Authentication.
- Implemented secure user authentication & role-based access control using Spring Security and JWT, enabling admin/user-specific functionalities.
- Created RESTful APIs for product listing, order management, user registration, login submission using Spring Boot.
- Used Spring Data JPA with custom repository methods for efficient data access and filtering using CRUD operations.
- Integrated form validation and error handling in both frontend and backend for a seamless user experience.
- Followed MVC architecture and layered design pattern in backend (Controller → Service → Repository)
- Enabled user-specific features like placing orders, viewing past orders using secure token-based authorization.

#### E-Commerce Website

- **Frontend** : Used HTML for structure, CSS for styling, JavaScript for interactivity.
- **Features** : Created a product viewing, item addition with quantities and dynamic total updates.
- **User Authentication**: Login, registration, and order history for customers.

### Certifications

---

- Completed **Java Full Stack Development** course at **Besant Technologies** and gaining expertise in **Java, Spring Boot, React JS, MySQL**.

### Education

---

**Bachelor Of Computer Application(BCA),**

Muthayammal College Of Arts And Science - 2021-2024, Namakkal, Tamil Nadu,

CGPA: 6.0

### Language

---

- English
- Tamil
